Prof. Abubakar Rasheed delivering the President's address

Muhammadu Buhari, *GCFR*, who made this known in his address to the 49<sup>th</sup> Convocation of the University on Thursday, 26<sup>th</sup> January, 2017, said "Government is, thus, clearly interested in maintaining peace, stability and progress in all its higher education institutions."

The President, who was represented by the Executive Secretary, National Universities Commission (NUC), Professor Abubakar Adamu Rasheed, *mni*, *MFR*, stated that he had, the week before, approved the reconstitution of the Governing Councils of all Federal Institutions of higher learning, details of which would be released by the Minister of Education at appropriate times.

President Buhari congratulated UNILAG on its 55<sup>th</sup> anniversary and 49<sup>th</sup> Convocation ceremony, which recorded a total of 12, 617 graduands, the highest, so far, in its history. He said it was refreshing

and highly significant to note that nearly 50 per cent of the graduands were Postgraduate. Commending the University for the feat, the Visitor urged other major universities in the country to emulate this, saying, "if the Nigerian University System (NUS) is to survive and thrive, the NUC must work closely with the top universities and top funding agencies like TETFund and PTDF to reinvent the training of the much needed qualified academics to man the current 152 universities in the country."

Since education remained one of the most dynamic sectors in the globalised world, the President said, his administration remained resolute in ensuring the quality of university education in Nigeria. "The reality is that every facet of the university, be it academic or non-academic, contributes to its quality. To this end, government has directed the NUC to strengthen its regulatory mechanisms to ensure greater relevance and competitiveness of the Nigerian University System", he said.

The Visitor expressed worry that some Nigerian Universities were still not demonstrating adequate capacity for fund utilisation, despite the clamour for increased funding of higher education institutions. While some universities still find it difficult to access funds from TETFund because they have not shown enough commitment to meeting the requirements for the release of such funds, there are still some problems regarding the utilisation of the Needs Assessment fund for the revitalisation of Nigerian Universities, where also

The Chancellor, His Eminence, Alhaji (Dr.) Abubakar Ibn Umar Garbair Al-Amin El-Kanemi, Shehu of Borno

some universities have not been able to meet the requirement for further release of funds. He, therefore, implored Vice-Chancellors to take full advantage of these initiatives to enable Nigerian Universities to efficiently and effectively upgrade their teaching, research and community development mandates.

As public officers charged with the responsibility of managing higher education institutions, President Buhari said Councils and Managements of higher institutions must be accountable to their publics and to the wider people of Nigeria. His words: "the progress of every forward-looking institution, whether public or private, requires probity, transparency and accountability and these must occupy the front burner in university management. This informed my instruction, last week, to the Federal Universities to send quarterly reports to the Federal

Ministry of Education, through the National Universities Commission. This is to foster a closer relationship between government and its universities and allow for increased flow of information to enable government have a better understanding of the progress and challenges facing the universities.”

Mr. President said it was impossible to tell the story of the development of university education in Nigeria without recalling the monumental contributions of the University of Lagos and four others, established within the first two years of our independence. He, therefore, paid special tribute to the founding fathers of the great citadels of learning for their wisdom and ingenuity in establishing the institutions and also appreciated the effort of the individuals, including the host communities, who had played one role or the other in the sustenance of the vision of the founding fathers.

He joined other Nigerians to congratulate the graduands who, “after years of hard work, sacrifice and discipline, had been found worthy in character and learning to be awarded the University's degrees. He also congratulated all the Honorary Degree awardees, particularly the Chancellor, His Eminence, Alhaji (Dr.) Abubakar Ibn Umar Garbai Al-Amin El-Kanemi *CFR*, the Shehu of Borno; Professor John Pepper Clark and Professor Ayodele Ogunye, saying, “the awards, together that of Emeritus Professorship of Professor Osato Giwa-Osagie and the four distinguished Professors, should be an incentive to greater service and contribution to the University and to humanity.”

Earlier in his Convocation address, the Vice-Chancellor, Professor Rahamon Bello commended President Buhari for the efforts put in to fight insecurity and corruption as well as changing the mindsets of Nigerians on corruption and

corruption related issues, which, he said, had been yielding fruits. While also commending Mr. President for setting up the Committee to negotiate with University Staff Unions, the Vice Chancellor, however, called for the exploration of alternative mode of funding or financing Universities to insulate university education from the fiscal instability of government.

On the Convocation, the Vice-Chancellor said that UNILAG, in the last five years, had graduated a total of 50,785 students comprising 26,780 undergraduates and 24,005 postgraduates. This year's ceremony kicked off with the honouring of all past Vice-Chancellors by renaming some infrastructures after them.

Those honoured were Professors J. F. Ade-Ajayi, Akinpelu Adesola, Kwaku Adadevoh, Nurudeen Alao, Jelili Adebisi Omotola and Tolulope Odugbemi. Professor Bello reported that a total of 6,900

(or 54.7 percent) of the 12, 617 graduands, were undergraduates, while 5, 717 (or 45.3 percent) were postgraduates. Out of the 6, 900 undergraduates, 231 obtained distinction or the First Class, with the Faculty of Engineering topping the list with 46 First Class graduating students. Another 1, 705 made Second Class Upper Division, 2, 972 made Second Class Lower Division, 1, 372 were in the Third Class, 103 with Pass degrees, while 517 had unclassified degrees and diplomas. The record set by a former student, Mr. Ayodele Dada, who graduated last year with a perfect score of CGPA of 5.00, was matched by two female students of the institution this year: Miss Taiwo Bankole of the Department of Cell Biology and Genetics as well as Miss Oyindamola Ajoke Omotuyi of the Department of Systems Engineering.

The Chancellor, His Eminence, Alhaji (Dr.) Abubakar Ibn Umar Garbai Al-Amin El-Kanemi *CFR*,

the Shehu of Borno; Pro-Chancellor and Chairman of Council, Professor Jerry Gana and the Vice Chancellor, who were all attending their last Convocation ceremony in their respective capacities expressed their profound thanks the Federal Government and Visitor for the opportunity given them to serve the country and the University in particular as well as their support for the University.

On the Honorary awards, the Shehu of Borno received the D.Sc. (Honoris Causa) in Public

Administration; Professor John Pepper Clark received the D. Litt. (Honoris Causa), while Professor of Chemical Engineering and philanthropist, Ayodele Ogunye also received D.Sc. (Honoris Causa) in Engineering.

Renown Obstetrician and Gynaecologist, Osato Frank Giwa-Osagie was honoured with an Emeritus Professorship of the UNILAG, while four Professors (Babajide Ibitayo Alo, Olukayode Amund, Mrs. Cecilia Ihuoma Igwilo and Jim Ijenwa Unah) also become Distinguished Professors.

# Media Trust Delegation Visits Prof. Rasheed

CEO, Daily Trust, Alh. Mannir Dan Ali (3rd left), with Executive Secretary NUC, Prof. Abubakar Rasheed (4th left), flanked by other members of the Board

The Board of Directors of Media Trust Limited, publishers of *Daily Trust* titles and *Aminiya*, led by the Chief Executive Officer, Alh. Mannir Dan Ali was at the National Universities Commission (NUC), recently, to congratulate the Executive Secretary, Professor Abubakar Adamu Rasheed, *mni*, *MFR*, on his appointment and seek for collaboration with the Commission in organising a conference on technology and innovation.

Welcoming the team, Professor Rasheed commended the group for being focused and committed, and for constantly creating awareness on several issues ranging from education, economy and health, to agriculture, politics, etc., thereby keeping the public informed of developments and government policies and programmes. The

Executive Secretary noted that through its publications, the organisation had successfully revolutionised journalism in Nigeria, particularly in the North. He submitted that journalists, like academics, were doing a serious business of educating the public and that journalism was a noble profession.

Professor Rasheed said that, the Commission was in the process of overhauling the entire curriculum in the NUS with a view to making it more relevant to modern trends, through innovation and entrepreneurship to address every day challenges. He informed the group that the Commission had introduced a quarterly international lecture series where a seasoned academic would deliver a lecture on some of the issues affecting the NUC and the society. He disclosed

that the next edition of the lecture would be delivered by a former Executive Secretary of the Commission, Professor Peter Okebukola on the need the review the entire curriculum. The Commission was also reviewing postgraduate studies by strengthening the capacity of Nigerian Universities to train post graduate students locally. This, he said would help cut the cost of studying abroad.

At the meeting were Directors, Alh. Umar A; Mal. Bello Damgu; Alh. A. W. Maide and Alh. Rabi'u Garba. Others were Associate Director/Editor, Mahmud Jega; Associate Director, Business, Aliu Akshile; Commercial Manager, Yusuf Jide; Business Development Manager, Hassan A, Kam and Reporter, Chidinma Okeke.

# Kano Varsity, Chinese Science Academy Collaborate on Knowledge Sharing

Prof. Abubakar Rasheed  
Executive Secretary, NUC

Kano University of Science and Technology (KUST), Wudil, is set to collaborate with China Academy of Sciences on knowledge sharing, especially in Science and Technology-related programmes, with a view to repositioning the former. The Vice-Chancellor, Professor Shehu Alhaji Musa, who led a team of experts from the Academy, to brief the Executive Secretary, National Universities Commission (NUC), Professor Abubakar Adamu Rasheed, *mni*, *MFR*, in his office, said that the University underscored the indispensability of NUC in the smooth running of academic and administrative activities of any university in Nigeria, hence the visit of his management team and the experts to intimate the Commission on their planned collaboration, towards making KUST second to none in the area of joint research, knowledge sharing and training that would boost, not only the performance of lecturers and students, but also the economy of Nigeria.

The Vice-Chancellor said that the

project was all encompassing as it covered programmes such as Solid Mineral Exploration, Oil Exploration, Transportation Management, Urban and Regional Planning, Hardware and Software Engineering, among others. He disclosed that the basic component of the project had been achieved, noting that efforts were on going to fast-track the Memorandum of Understanding (MoU), in order to achieve its objectives as soon as possible.

Responding, Professor Rasheed welcomed the team and gave a rundown of the evolution of the Commission, functions and mandates. He expressed confidence in the quality of academic programmes run by Nigerian Universities and urged the delegation from the Chinese Academy of Sciences to work assiduously to ensure that the project delivered on its set goals and objectives.

Professor Rasheed said that with the project, “we hope KUST, Wudil, would soon be a Centre of Excellence in different areas of vocational endeavours.” He urged the Chinese Academy to extend the collaboration to other universities by training more people, with the aim of producing quality PhDs in the stated areas of academic endeavours.

The Executive Secretary commended the Vice-Chancellor and his team for conceiving what he called a 'good academic initiative' that would place the University in the forefront of academic excellence in Nigeria and beyond.

In his remarks, the Chairman, House Committee on Education, Hon.

Aminu Suleiman, said that the University had taken a giant stride towards achieving unmatched academic excellence, pledging that he and other well-meaning Nigerians, especially indigenes of the state, would contribute their quota towards the success of the project. He congratulated the Kano State Government, the Executive Secretary as well as the Vice-Chancellor and his Management team for the initiative, stressing that it was to the glory of the entire NUS. The delegation from the Chinese Academy of Sciences included Professor Zhou Guangging of the Institute of Atmospheric Physics, CAS; Li Jing, University of Science and Technology of Science, Jiang Jinrong, CAS, Xiao Haili, CAS and Zhao Yining, CAS.

The KUST team included the Deputy Vice-Chancellor, Academic, Dr. Abubakar Musa; Director of Academic Planning, Dr. Aminu Ahmad; Dean, FACMS, Dr. Babawuro Usman; and Director, Linkages and Affiliation, Dr. Aminu Umar Fagge.

## NATIONAL UNIVERSITIES COMMISSION IPSAS IMPLEMENTATION

 Nexia  
Agbo Abel & Co

### Introduction:

The Federal Executives Council at its meeting held on 28<sup>th</sup> July 2010 approved that Nigeria should adopt the provisions of the International Financial Reporting Standards (IFRS) and International Public Sector Accounting Standards (IPSAS) for Private and Public Sectors respectively.

Consequently, the Federation Accounts Standards Allocation Committee (FAAC) at its meeting held on 13<sup>th</sup> June 2011 setup a Sub-Committee to provide a roadmap for the implementation of IPSAS in the three tiers of government in Nigeria.

#### The Roadmap to the adoption of IPSAS was phased as follows:

- Full Adoption of IPSAS Cash effective from 1<sup>st</sup> January, 2014.
- Adoption of IPSAS Accrual effective from 1<sup>st</sup> January 2016.

The National Universities Commission (NUC) has commenced the IPSAS implementation project that will enable a seamless adoption of the IPSAS accrual in the preparation and presentation of Financial Statements in line with the directives of Federation Accounts Allocation Committee (FAAC) Sub-Committee on implementation of IPSAS.

### Implementation Approach:

NUC is partnering with Nexia Agbo Abel & Co, to adopt a phased implementation approach which shall focus on the following areas;

- Regulatory Compliance
- Technical Accounting & Reporting
- Knowledge & Resource Management
- Process, Technology & Infrastructure

• Results Based Management  
• Easy Comparison  
• Competitive Advantage

• Quality  
• Consistency  
• Comparability

**IPSAS**

• Transparency  
• Accountability

### Expected Benefits:

At the end of this implementation project, NUC's financial reporting is expected to be fully IPSAS accrual compliant in line with the directive. This will ensure greater level of transparency, accountability and consistency in financial reporting just like similar Public Sector Entities (PSE), high-quality financial statements based on globally acceptable standards and audit efficiency.

## Implementation Committee

In line with the National Treasury Circular Ref. No. TRY/A5 & B5/2014 and OAGF/CAD/POL/C.0301/VOL. I/VOL. I of 23rd October 2014, the composition of the Commission's IPSAS Implementation Committee include:

**Executive Secretary**  
**Director, Finance and Accounts**  
**Director, Management Support Services**  
**Head of Internal Audit**  
**Head of Information & Communication Technology**  
**Head of Treasury**  
**Head of Budget**

### ADVERTORIAL CONFIRMATION OF APPROVAL OF THE NIGERIAN UNIVERSITIES e-LEARNING PROGRAMME

The general public is hereby informed that whereas the Commission maintains its stand that online degrees are not accepted in Nigeria at the moment, this does not include the approved Nigerian Universities e-Learning Programme run within the shores of Nigeria.

The Nigerian Universities e-Learning Programme is a legitimate and well thought out pilot e-learning initiative. It is a Public Private Partnership between the National Universities Commission (NUC), Park Associates E-Learning Group, and four federal universities. Its goal is to provide new opportunities for students to access university education in Nigeria.

The four Participating Universities are:

- i. University of Uyo;
- ii. National Open University of Nigeria;
- iii. Usmanu Danfodiyo University, Sokoto; and
- iv. University of Maiduguri.

Students enrolled in the Programme can select any of the following undergraduate degree programmes: Economics, Banking & Finance, Accounting, Business Administration and Marketing for which they have requisite qualifications. The Programme for now is only available for candidates who wish to obtain BSc Degree in Economics.

The Commission wishes to use this medium to allay all fears and doubts concerning the legitimacy or NUC endorsement of the Nigerian Universities e-Learning Programme. This is one of the avenues that the National Universities Commission is exploring to increase access to university education without compromising quality. Students in the Programme are therefore advised to continue to pursue their studies without fear and prospective applicants are encouraged to enrol. Concerned parents, guardians, students and the general public may contact the Commission for further clarification on the Programme under reference.

Signed

## Approved Open Universities and Distance Learning Centres in Nigeria

The National Open University of Nigeria (NOUN), which has 72 study/resource centres nationwide, is currently the only approved open university in the Nigerian University System (NUS)

### List of approved Distance Learning Centres in Nigeria

Eight universities in the Nigerian University System, currently have the approval of the National Universities Commission to operate distance learning centres as follows:

1. Distance Learning Centre, University of Ibadan.
2. Distance Learning Institute, University of Lagos.
3. Centre for Distance Learning and Continuing Education, University of Abuja.
4. Centre for Distance Learning, University of Maiduguri.
5. Centre for Distance Learning, Obafemi Awolowo University, Ile-Ife.
6. Centre for Distance Learning, Modibbo Adama University of Technology, Yola.
7. Ladoke Akintola University of Technology Open and Distance Learning Centre, Ogbomosho.
8. Distance Learning Centre, Ahmadu Bello University, Zaria.

## NATIONAL UNIVERSITIES COMMISSION

### IMPLEMENTING STEPS FOR NEW MEDICAL SCHOOLS, ACCREDITATION ISSUES AND THE NEW MINIMUM BENCHMARK (2015) FOR THE MBBS/BDS PROGRAMMES

#### PROGRAMMES

Following several Stakeholders' meetings in the last two years and as a prelude to the formal release of the New Minimum Academic Benchmark (2015), proprietors of Medical and Dental Schools in Nigeria (both current and prospective) are requested to note the following implementing steps including relevant adjustments relating to accreditation of Medical/Dental Schools.

1. From 1st September 2015, both current and prospective proprietors of Medical and Dental Schools should:
  - a. Write a letter to the Executive Secretary stating their intent and provide relevant information as available.
  - b. On receipt, (if NUC has no obvious reasons to disqualify the application), they would be sent a copy of the BMAS for MBBS/BDS and advised firmly to ensure that they are strictly complied with.
  - c. The setting up of medical schools is not an emergency exercise. To this end, prospective proprietors must own and have in place (prior to a request for a Resource Verification), a fully functional and well run tertiary type hospital. In the circumstance of the above not being in place, consideration for an affiliation with a tertiary government-owned institution may be given only when the said university owns a medical institution fully functional with a minimum of 150 beds and a rural health medical unit. (See Appendix 4 of the BMAS).
  - d. A Pre-clinical Accreditation would be expected to take place within two years of a positive Resource Verification. Students can only sit for the second MBBS professional examination (Anatomy, Physiology and Biochemistry) when they have a successful preclinical accreditation. The preclinical accreditation would, amongst others, concentrate largely on the Department of Anatomy, Biochemistry, Physiology, Pathology and Pharmacology and to a lesser extent, Community Health. All evaluated departments must have the minimum requirements in terms of academic staff, non academic staff and laboratory facilities. (See Appendix 3 of the BMAS)
  - e. The Commission has now approved a Clinical Accreditation expected to take place within twelve months of a successful preclinical accreditation. Subsequent to that, a reaccreditation exercise will take place every five years.
2. With respect to established medical schools, (and irrespective of their accreditation status), it should be noted that

only institutions that (by the deadline of March 20th, 2016) have requested and obtained formal approval from the National Universities Commission for a re-evaluation based on the following considerations would be allowed to admit students into the MBBS/BDS programmes from the 2016/2017 academic year:

- a. All Medical and Dental schools must have an approved, and appropriately utilized, Clinical Skills/Simulation centre.
- b. Ensure strict adherence to the proper use of the course system for all approved programmes in Nigerian Universities. The implication of the above is that a particular programme (subject) is taught not only broken into cluster units of 1-4 but also have the components of university supervised examinations. For clarity, current end of posting examinations (practiced by some medical/dental schools) that neither have units allocated nor follow the standards of a University examination, do not conform to the Minimum Academic Standards as established by the National Universities Commission.
- c. Universities are strongly urged to immediately review their current methods of teaching medical and dental students to include more tutorials, self study group teaching, use of IT in the delivery of courses and simulation/competency based evaluations that must be signed by a lecturer not below the status of a senior lecturer. It must be noted that the confirmation of a successful simulation/competency based evaluation should be a mandatory requirement before the students are eligible to sit for the various professional/sessional examinations
3. Proprietors are urged to note the Essential Component changes of the new curriculum expected to be in use from the 2016/2017 academic session. Details of these changes are available in the New Minimum Academic standards booklet and at the National Universities Commission website. ([www.nuc.edu.ng](http://www.nuc.edu.ng).) Major components include the following:
  - (a) The approval of three alternative models viz;
    - i. A seven year MBBS/BDS programme that encompass a mandatory seamless four-year acquisition of the B.Sc. (Basic Medical Science) with interest in either Anatomy/Physiology/Biochemistry. At the end of seven years, students would have acquired the Bachelor of Basic Medical Science, Bachelor of Medicine and Bachelor of Surgery degrees. In case of the dental programmes, the students would have acquired a degree in Basic Dental Science and Bachelor of Dental Surgery.
    - ii. In order to allow for career change for interested non-medical health professionals, the Commission has also approved a four year programme leading to MBBS/BDS for interested and qualified graduates of Nursing, Pharmacology, Physiotherapy, Image Science, Paramedics, Anatomy, Physiology, Biochemistry and Pharmacology. It must be noted for such to be considered for admission they must have at the WAEC/NECO levels minimum credit scores in Mathematics, English, Physics, Chemistry and Biology at one sitting, prior to the admissions for their first degrees. They must also have a good CGPA.
    - iii. Admission into universities based on the current six year programme would be allowed to continue as suitable alternative based on the discretion of the University.
    - iv. It should be noted and emphasized that all the above degrees have the Bachelor appellation as they remain undergraduate programmes.
  - (b) Specific periods of posting to the department of Family Medicine. The obvious implication here is that, the Universities should create the Department of Family Medicine following their due process.
  - (c) Redesignation of the Department of Pharmacology to the Department of Pharmacology and Therapeutics. The department is now expected to provide relevant basic clinical teaching and conduct relevant professional examination in Pharmacology. They will also be expected to provide relevant clinical teaching in Therapeutics. All Universities should set in motion the machinery to achieve the above.
4. In view of the above essential component changes of the new curriculum, the Commission will be organising a National training for Medical teachers in Nigerian Universities. Details of the training would be made available shortly.
5. Interested stakeholders are invited to send comments/suggestions on the above to: The Executive Secretary, NUC, [rasheed3h@gmail.com](mailto:rasheed3h@gmail.com) and copy to [chiedu.mafiana@gmail.com](mailto:chiedu.mafiana@gmail.com)

**GUIDELINES ON PART-TIME AND SANDWICH PROGRAMMES IN NIGERIAN UNIVERSITIES**

Below are guidelines for conducting Part-time and Sandwich programmes in Nigerian universities. All universities currently operating Part-time programmes are expected to comply with the guidelines on programme by programme basis.

Consequently, universities still interested in running Part-time programmes are advised to forward fresh applications to the NUC on programme by programme basis.

This is, however, subject to the readiness of the university to comply with the following extant guidelines on part-time programmes:

1. The admission and graduation requirements, Staffing, Library and physical facilities requirements must be in line with the Benchmark Minimum Academic Standards (BMAS) for the various full-time academic programmes;
2. For a programme to be eligible to run on part-time basis, the approved full-time equivalent must be available in the university, must have earned full accreditation and must be run within approved campuses;
3. The enrolment into part-time programmes must not exceed 20% of total students' population in the programme;
4. The minimum duration of the part-time programmes must be 150% of the approved duration of the Full-Time equivalent;
5. Approval shall not be granted for part-time programmes in Environmental Sciences, Engineering/Technology, Law, Medicine/Medical Sciences, Pharmacy /Pharmaceutical Sciences, Dentistry; and Veterinary Science;
6. All admissions into part-time programmes must be through the Joint Admissions and Matriculation Board (JAMB). Part-time programmes must be run within approved campuses of universities where the human and material resources for the teaching of the programmes are domiciled, i.e. on the main campus of the university;
7. Part-time programmes shall be subjected to the NUC accreditation assessment upon maturity of the programme;
8. For any programme to be eligible for part-time mode, it must have produced two (2) sets of graduates and satisfied the Resource Verification Requirements.
9. Commencement of a part-time programme MUST be subject to NUC's approval. Approval of commencement of all parttime programmes must be obtained.

The National Universities Commission shall not hesitate to apply appropriate sanctions on any university which violates any of the stipulated Guidelines on Part-Time and Sandwich Programmes.

## List of Universities with Approved Postgraduate Programmes

The National Universities Commission (NUC) has observed with great concern that some Nigerian universities are running unapproved postgraduate programmes, leading to the award of Masters and PhD degrees. The Commission has also observed that some Parastatals and Institutes are awarding these same Postgraduate degrees, either on their own or through unapproved affiliations with Nigerian and foreign Universities. Such practices are not only unethical, but also antithetical to time-tested quality assurance best practices. The qualifications/awards resulting therefrom are not recognized. The Commission hereby notifies the general public that only the following universities have approval to offer postgraduate programmes at the Masters' and Ph.D levels in Nigeria, as of 30th July, 2012:

### Federal Universities :
