

## AANI Dialogue Focuses on Farmers-Herders Clash

The Alumni Association of the National Institute (AANI) has joined the campaign to proffer solutions to the incessant farmers-herdsmen conflict in Nigeria, when it hosted some stakeholders to dialogue and seek a way forward to promote lasting peace to the conflict in an elaborate event held at the Idris Abdulkadir Auditorium of the National Universities Commission last week.

Welcoming the guest to the occasion, the AANI President, Mr. Khaleel Bolaji, gave an insight into the activities of the association and its numerous contributions to nation building.

He stated that the dialogue became necessary because of the need to put an end to the carnage of the farmers-herdsmen. In his view, “the relationship that existed between farmers-herdsmen in the early days of their existence was one of mutual benefit but this is not to say the relationship has not been without challenges,

Chairman of the Occasion and former FCT minister, Dr. Aliyu Modibbo Umar and AANI President, Mr. Khaleel Bolaji

but it has always come in with a build-in traditional mechanism to resolve whatever conflict may arise without spiraling into violence”.

Mr. Khaleel noted that

unfortunately, in the recent past, the relationship between farmers and herdsmen had so much deteriorated that the violent conflict arising from it has become one of the most challenging security problem in the country

today.

According to him, various factors came to escalate the violent. These factors he said includes: criminality, politicisation as well as giving the conflict religious and ethnic coloration.

The AANI President stressed that it was in the light of the afore mentioned, that ANNI saw the need for a dispassionate approach towards understanding the nature of the conflict and proffer practical solutions to the problem in line with the dynamics of socio-economic realities.

He added that AANI was a key stakeholder in national discourse as it affected the Nigerian people. He informed participant that the dialogue would also sought to among other things, foster an understanding of the nature of farmers-herdsmen conflict; identify factors responsible for the escalation of the conflict and identify strategic options for the resolution of the conflict.

Mr. Khaleel Bolaji thanked the participants for finding time to be part of the epoch event and hoped that by the end of the dialogue, participant would come up with practical recommendations that would assist government at all levels, policy makers, security agencies as well as other key stakeholders to find ways of addressing the menace and bring about sustainable peace and economic development.

In his opening remarks, the chairman of the occasion, Dr. Aliyu Modibbo Umar who was the former Federal Capital

Territory, Minister, charged participant at the event to proffer solutions to the lingering crises between farmers and herdsmen in the country.

He stressed that the violence between the groups was been politicised and that much was left undone by stakeholders to put a lasting end to the crises. Mr. Modibbo called on the participants to give in their best and proffer lasting solution to ameliorate the problem. He added that the legacies of our heroes past must not be allowed to die, noting that there were more that united us as a nation than what would divide us as a people.

Topics discussed at the technical session of the dialogue included: Understanding the nature of the conflict between Nomadic Herders and Sedentary Farmers in Nigeria; Diagnosis and Prognosis: National and International Regulatory Framework for Livestock movement in Nigeria and ECOWAS sub-region; Arms proliferation in the escalation and sustenance of farmers/herders conflict in Nigeria; Addressing the root cause of farmers/herders

conflict in Nigeria: Policy options and Strategy.

Delivering the vote of thanks, Dr. Nasirdeen Uman, mni, FCARB, (Secretary General, AANI) expressed his sincere appreciation to all who honoured their invitation to attend the event. He particularly thanked the resource persons who came to share their

experiences and also provided the much needed solution to the greatest security and economic challenge in the country.

Other dignitaries present at the dialogue were Dr. Ahmed Jega, representing the Honourable Minister of Interior, Mr. Emmanuel Imohe, Chairman PRESCOM Ambassador, and

Mr. Ayuba Waba, President, Nigerian Labour Congress, delegate from ECOWAS, and the Chairman of the technical session, Mr. Juma Mela, mni, (Ag. Director General NIPPS). The resource persons were Professor Garba Sharubutu, mni, Mr. Joseph Habba, Dr. Vivian Iwar, Dr. Junaid Maina, Dr. Dickson Orji and Gen. J.F. Adeleke.

## 31 out of 340 get 1<sup>st</sup> Class at Achievers 12<sup>th</sup> Convocation

No fewer than 31 graduands of Achievers University, Owo, in Ondo State, bagged First Class honours out of 340 students from 12 academic programmes during the university's 12th convocation ceremony, which took place penultimate Saturday at the university's Trinity Auditorium.

In his remarks, Pro-Chancellor of the university, Hon. Dr. Bode Ayorinde, reminded the graduating students that a new chapter was about to unfold in their lives. He told them that the

Vice-Chancellor, Achievers University  
Prof. Tunji Ibiyemi

university had imparted in them all they required to excel and

conquer the world and advised them to conduct themselves as achievers. In his words, "As we release you to the outside world, please remember you are achievers and behave and conduct yourselves as achievers, dream it and work towards it."

The Pro-Chancellor acknowledged that despite its challenges, Achievers University would not relent in its efforts to be ranked among the best universities in the world. He highlighted the university's 10-point development agenda, targeted at stimulating

greater and more significant growth in the Institution, as well as positioning Achievers University in the class of leading universities in the country, within the next five years.

Welcoming guests, university staff and graduands to the ceremony, the Vice-Chancellor of the Institution, Professor Tunji Ibiyemi, urged the graduating students to take advantage of the knowledge which had been imparted to them, to make enviable impact on their immediate environment, while developing themselves.

Highlighting the Institution's academic achievements since inception in 2008, Professor Ibiyemi noted that Achievers

University commenced with 12 academic programmes at undergraduate level, which were distributed into two colleges and 10 Departments. Ten years on, the university now runs 22 programmes across various Departments. It also boasts of a Law programme, with options in Private and Business Law as well as Public and International Law.

He informed guests that the National Universities Commission (NUC) had, during the 2017/2018 academic session, granted approval for the commencement of post-graduate programmes in MSc. Accounting, MSc/MBA Business Administration and MSc. Computer Science.

The Convocation witnessed the

conferment of honorary degrees on Emeritus Professor David Adedayo Ijalaiye; Plateau State Governor, His Excellency Simon Lalong; Executive Chairman, Lagos Inland Revenue Service, Mr. William Babatunde Fowler as well as Member, House of Representatives and former Minister of State for Education, Hon. Mrs. Aishatu Jibril Dukku.

Dignitaries at the event included the Governor of Ondo State and Visitor to the university, Arakunrin Olurotimi Akeredolu, who also played a significant role in the establishment and development of Achievers University. Other notables included royal fathers, academic luminaries, political stalwarts and representatives of many states across the federation.

## Bingham Varsity Matriculates 1014 Students

The Bingham University Karu, Nasarawa State matriculated a total number of 1014 students held at its 13th matriculation ceremony for the 2017/2018 academic session. The students were matriculated into its six faculties. This was said to be the highest recorded by the university.

Delivering his address, the Acting Vice Chancellor, Prof William Barnabas Qurix commended the founding fathers of the university for their great vision and foresight in establishing the institution. He said the university which may be considered relatively young, recorded many successes in its foundation years.

Prof. Barnabas Qurix  
Ag. Vice-Chancellor, Bingham University

Professor Qurix revealed that the institution had recorded rapid progress in spite of its challenges in the areas of infrastructure, funding and governance. He expressed happiness that major

challenges that necessitated the setting up of a panel were being addressed, saying that salaries were becoming more regular while the dearth of infrastructure was being addressed.

He said that management were exploring funding alternatives to meet growing demands of the institution. The university has an active Centre for Tropical Diseases with sound academic staff, revealing that many of their colleagues from the academia recently attracted grants from donors to conduct various researches.

The Vice Chancellor was happy that the National Universities Commission recently granted

approval for the commencement of three more programmes in the University, which was a sign of restoration of energy into the system.

He said that the Institution recently admitted its first set of Post-graduate students to study various courses; that the university was poised to become world class Centre given the disposition of Management, Council, Board of Trustees and the Proprietor. He urged staff, students and stakeholders to contribute his or her quota towards meeting the university goal.

The Vice Chancellor thanked the National Universities Commission Management, especially the Executive Secretary, Professor Abubakar Adamu Rasheed for their unalloyed support in nurturing the University to attain its present height and looked forward to a more robust working relationship.

He said their goal and Mission was to produce Young Nigerian that would go out and make a difference in the society. He enjoined parents to assist in the task of bringing up these young men and women in line with the desired goals and objectives of the university.

Professor Qurix reminded the students that Bingham University being a faith-based institution would therefore not tolerate vices like cultism, drug abuse, smoking, fighting or stealing. He urged staff and students to support management's efforts to make the school a model for others.

The Vice Chancellor particularly thanked the staff for their patience and understanding over years.

Delivering the Matriculation Lecture entitled "Choices and Consequences: The Realities of Campus life" by Professor Clara Ladi Ejem of the Department of Community Medicine, Ahmadu Bello University Zaria who welcomed the newly matriculated students reminded that they represent a fraction of candidates that were doubly lucky to scale through JAMB and had parents that have the resources and willing to invest it in private university education for them. She charged them not to take the privilege for granted and advised them to take their studies seriously.

Professor Ejem said the principal mission of the university has been the generation, dissemination and application of knowledge for public good while the roles of the universities had been research, knowledge and information transfer as well as technology development which were critical to national, social progress and economic growth.

She opined that one could not talk of national development without investment in human capital and human capital development had to be about building the knowledge base and requisite capacities of people needed in all sector of the national economy. She stressed that human capital development was also central to national development and universities should be the apex institution of human capital development in every nation.

The guest lecturer congratulated the matriculated students and admonished them to make the right choice that would ensure the character and learning requirement were attained for the university to proudly award them their degree.

The Executive Secretary, NUC, delivered a goodwill message to the matriculating students and advised them to be good ambassadors of the university, their parents and the Nigerian state. The message was delivered by the Director, Inspection and Monitoring (DIM), Mrs. Essien O. Osendiah who represented the Executive Secretary at the occasion.

The Office of the High Commissioner for Human Rights of the United Nations and the Centre for Human Rights, University of Pretoria, invite

STUDENTS FROM ALL UNIVERSITIES IN THE WORLD

to participate in the

10th NELSON MANDELA WORLD HUMAN RIGHTS MOOT COURT COMPETITION,

PALAIS DES NATIONS, GENEVA, SWITZERLAND, 15 – 20 July 2018

Students from all universities in the world are invited to participate in the prestigious Nelson Mandela World Human Rights Moot Court Competition in 2018. The year 2018 will not only mark the tenth year in the life of the Competition, but it will also be an opportunity to celebrate the 70th anniversary of the Universal Declaration of Human Rights, and the 100<sup>th</sup> birthday of human rights icon Nelson Mandela. The final rounds will be held at the United Nations Headquarters in Geneva from 15 to 20 July.

Each year undergraduate and masters' level students who wish to participate in the Competition submit written legal arguments for the opposing sides in a fictional dispute involving some of the burning human rights issues of the day. The teams with the highest scores from each of the five UN regions are then invited to participate in the final, oral rounds in the Human Rights Council Chamber in the Palais des Nations. The case is heard by a panel of eminent international jurists, including judges from international tribunals. Many participants have described participation in the Moot as the highlight of their studies.

In 2018 the Competition will for the first time be presented not only in English, but also in French. In future years the other UN languages, namely Spanish, Chinese, Russian and Arabic, will also be used.

The teams that are selected to participate in the final rounds in Geneva are expected to cover their own traveling costs as well as accommodation and meals, although limited financial assistance is available.

The last day for submission of memorials is 16 April 2018.

More information on the Competition is available at <http://www.chr.up.ac.za/worldmoot>

## 8th International Conference on Appropriate Technology (8<sup>th</sup> ICAT)

November 22-25, 2018  
Songhai Center, Porto-Novo, Benin

ORGANIZING SPONSORS
University of Abomey-Calavi, Benin
International Network on Appropriate Technology (INAT)

**Endogenous Knowledge, Appropriate Technology and Innovation:  
Linking the Past and the Future**

**The 8th International Conference on  
Appropriate Technology will**

- 1) Promote Knowledge-based Endogenous Development and the diffusion of related innovations to support Appropriate Technology (AT) practice
- 2) Identify, initiate and combine AT contributions based on both pre-modern and modern knowledge in a manner that is rooted in an appropriate historical perspective
- 3) Provide a forum for networking on AT solutions for the 21<sup>st</sup> century through the recognition, valorization and re-appropriation of locally-grounded knowledge and practices

### Background

Locally-grounded and useful knowledge, both tacit and codified, is one of the most reliable bases for long term, sustainable prosperity. Unfortunately, much of this knowledge remains under-recognized and undervalued, with tumkey solutions from elsewhere often being presented as readily available or convenient. At present, large numbers of people in the Global South, particularly in Africa, still lack access to clean water, sanitation, clean energy, reliable food and nutrition, and safe transportation, among other challenges. Yet in those same societies, some people have time-tested, demonstrable approaches to resolving them, while others are engaged in cutting-edge scientific research and technological development.

All of these, to the extent that they are informed by contextually-relevant needs, and priorities represent an endogenous knowledge resource base. However, refining, upgrading, applying and diffusing this knowledge in the form of improved products, services and practices also requires the dissemination of lessons and experiences between similarly motivated actors from a broad cross-section of any given society: In exploring various local challenges together from an Appropriate Technology perspective, we believe that we can contribute to a more plural, multi-centric, equitable, sustainable and ultimately more just global community.

## NUC MAKES HISTORY IN RANKING OF OPEN EDUCATIONAL RESOURCES (OER)

The National Universities Commission has made history in conducting the first-ever ranking of Open Educational Resources (OER) held in institutional repositories. It is the first exercise of its kind in the world and it was initiated by the Executive Secretary of NUC, Professor Abubakar Rasheed, Mni, MFR for application in the Nigerian University System. The exercise showed that with 12,070 quality OER holdings presented by 50 universities for the inaugural exercise, Nigerian Universities are now among the best in Africa in OER. It is estimated that with full release of the OER holdings and participation by all universities, this number may quadruple in the next two years making the Nigerian University system the richest in OER in Africa. The OER ranking exercise is to be conducted twice a year.

Open Educational Resources (OER) are teaching, learning and research materials in any medium, digital or otherwise, that reside in the public domain or have been released under an open license that permits no-cost access, use, adapt and redistribute by others with no or limited restrictions. They are technology-enabled, open provision of educational resources for consultation, use and adaptation by a community of users for non-commercial purposes. Materials that constitute OER include curriculum maps, course materials, textbooks, streaming videos, pictorial materials, multimedia applications, podcast, and any other materials that have been designed for use in teaching and learning environment.

The OER ranking exercise was conducted by the 12-member National Experts Group on OER Ranking (NEGOR) and a four-person team of external experts from outside Nigeria.

Fifty universities that participated in the inaugural edition were ranked by (a) ownership (federal, State and private) and (b) generation within ownership. The results are shown below.

## NATIONAL UNIVERSITIES COMMISSION

### ADVERTORIAL ON CONFIRMATION OF APPROVAL OF THE NIGERIAN UNIVERSITIES e-LEARNING PROGRAMME

The general public is hereby informed that whereas the Commission maintains its stand that online degrees are not accepted in Nigeria at the moment, this does not include the approved Nigerian Universities e-Learning Programme run within the shores of Nigeria.

The Nigerian Universities e-Learning Programme is a legitimate and well thought out pilot e-learning initiative. It is a Public Private Partnership between the National Universities Commission (NUC), Park Associates E-Learning Group, and four federal universities. Its goal is to provide new opportunities for students to access university education in Nigeria.

The four Participating Universities are:

- i. University of Uyo;
- ii. National Open University of Nigeria;
- iii. Usmanu Danfodiyo University, Sokoto; and
- iv. University of Maiduguri.

Students enrolled in the Programme can select any of the following undergraduate degree programmes: Economics, Banking & Finance, Accounting, Business Administration and Marketing for which they have requisite qualifications. The Programme for now is only available for candidates who wish to obtain BSc Degree in Economics.

The Commission wishes to use this medium to allay all fears and doubts concerning the legitimacy or NUC endorsement of the Nigerian Universities e-Learning Programme. This is one of the avenues that the National Universities Commission is exploring to increase access to university education without compromising quality. Students in the Programme are therefore advised to continue to pursue their studies without fear and prospective applicants are encouraged to enrol. Concerned parents, guardians, students and the general public may contact the Commission for further clarification on the Programme under reference.

The attention of the Management of the Tertiary Education Trust Fund (TETFund) is drawn to the mischievous activities of some unscrupulous elements that are visiting public Universities, Polytechnics and Colleges of Education and some regulatory agencies and presenting themselves as staff of, and working with, the Chairman-designate of the Board of Trustees of TETFund. They usually meet the head of an institution, the bursar and/or director of works/physical planning to make all sort of offers/promises of TETFund intervention projects to be allegedly brought to the institution by the Chairman-designate. In exchange, they make different frivolous requests including nominating contractors/consultants and, in many cases, request for financial gratifications.

The Management of the Fund therefore wishes to inform the beneficiary institutions of TETFund in particular and entire public in general that these mischief-makers have nothing to do with TETFund and all their entreaties should be ignored. Anyone that enters into any transaction with them does so at his/her own risk.

All TETFund Staff on official assignment to any institution carry identification and an introduction letter to the head of the institution.

**NATIONAL UNIVERSITIES COMMISSION  
IPSAS IMPLEMENTATION**

### Introduction:

The Federal Executives Council at its meeting held on 28<sup>th</sup> July 2010 approved that Nigeria should adopt the provisions of the International Financial Reporting Standards (IFRS) and International Public Sector Accounting Standards (IPSAS) for Private and Public Sectors respectively.

Consequently, the Federation Accounts Standards Allocation Committee (FAAC) at its meeting held on 13<sup>th</sup> June 2011 setup a Sub-Committee to provide a roadmap for the implementation of IPSAS in the three tiers of government in Nigeria.

#### The Roadmap to the adoption of IPSAS was phased as follows:

- Full Adoption of IPSAS Cash effective from 1<sup>st</sup> January, 2014.
- Adoption of IPSAS Accrual effective from 1<sup>st</sup> January 2016.

The National Universities Commission (NUC) has commenced the IPSAS Implementation project that will enable a seamless adoption of the IPSAS accrual in the preparation and presentation of Financial Statements in line with the directives of Federation Accounts Allocation Committee (FAAC) Sub-Committee on implementation of IPSAS.

### Implementation Approach:

NUC is partnering with Nexia Agbo Abel & Co, to adopt a phased implementation approach which shall focus on the following areas;

- Regulatory Compliance
- Technical Accounting & Reporting
- Knowledge & Resource Management
- Process, Technology & Infrastructure

### Expected Benefits:

At the end of this implementation project, NUC's financial reporting is expected to be fully IPSAS accrual compliant in line with the directive. This will ensure greater level of transparency, accountability and consistency in financial reporting just like similar Public Sector Entities (PSE), high-quality financial statements based on globally acceptable standards and audit efficiency.

## Implementation Committee

In line with the National Treasury Circular Ref. No. TRY/A5 & B5/2014 and OAGF/CAD/POL/C.0301/VOL. I/VOL.I of 23<sup>rd</sup> October 2014, the composition of the Commission's IPSAS Implementation Committee include:

### RE: MORATORIUM ON PART-TIME PROGRAMMES

The National Universities Commission, cognizant of the need to streamline the operations of Part Time and Sandwich programmes in Nigerian universities, had through a publication in the print media, including the Guardian and Sun Newspapers of Monday, 19th March, 2012, placed a moratorium on admission into parttime programmes in Nigerian universities. In the publication, the universities were requested to fully disclose all Part-Time and Sandwich programmes, with respect to enrolment and staffing profile, within four weeks of the publication, and to conduct in-house staff and student audit and forward same to the Commission. As a follow up to this, the Commission vide a letter dated 14 January, 2013, sent a reminder to the universities requesting those that were yet to provide information on their Part-Time and Sandwich programmes as well as affiliation arrangements to do so on or before 15 February, 2013.

#### 2.0. Universities That Made Submission

Based on the submissions received, a total of forty (40) universities indicated that they would run Part-Time and Sandwich programmes as detailed below:

## **GUIDELINES ON PART-TIME AND SANDWICH PROGRAMMES IN NIGERIAN UNIVERSITIES**

Below are guidelines for conducting Part-time and Sandwich programmes in Nigerian universities. All universities currently operating Part-time programmes are expected to comply with the guidelines on programme by programme basis.

Consequently, universities still interested in running Part-time programmes are advised to forward fresh applications to the NUC on programme by programme basis.

This is, however, subject to the readiness of the university to comply with the following extant guidelines on part-time programmes:

1. The admission and graduation requirements, Staffing, Library and physical facilities requirements must be in line with the Benchmark Minimum Academic Standards (BMAS) for the various full-time academic programmes;
2. For a programme to be eligible to run on part-time basis, the approved full-time equivalent must be available in the university, must have earned full accreditation and must be run within approved campuses;
3. The enrolment into part-time programmes must not exceed 20% of total students' population in the programme;
4. The minimum duration of the part-time programmes must be 150% of the approved duration of the Full-Time equivalent;
5. Approval shall not be granted for part-time programmes in Environmental Sciences, Engineering/Technology, Law, Medicine/Medical Sciences, Pharmacy /Pharmaceutical Sciences, Dentistry; and Veterinary Science;
6. All admissions into part-time programmes must be through the Joint Admissions and Matriculation Board (JAMB). Part-time programmes must be run within approved campuses of universities where the human and material resources for the teaching of the programmes are domiciled, i.e. on the main campus of the university;
7. Part-time programmes shall be subjected to the NUC accreditation assessment upon maturity of the programme;
8. For any programme to be eligible for part-time mode, it must have produced two (2) sets of graduates and satisfied the Resource Verification Requirements.
9. Commencement of a part-time programme MUST be subject to NUC's approval. Approval of commencement of all parttime programmes must be obtained.

The National Universities Commission shall not hesitate to apply appropriate sanctions on any university which violates any of the stipulated Guidelines on Part-Time and Sandwich Programmes.

## List of Universities with Approved Postgraduate Programmes

The National Universities Commission (NUC) has observed with great concern that some Nigerian universities are running unapproved postgraduate programmes, leading to the award of Masters and PhD degrees. The Commission has also observed that some Parastatals and Institutes are awarding these same Postgraduate degrees, either on their own or through unapproved affiliations with Nigerian and foreign Universities. Such practices are not only unethical, but also antithetical to time-tested quality assurance best practices. The qualifications/awards resulting therefrom are not recognized. The Commission hereby notifies the general public that only the following universities have approval to offer postgraduate programmes at the Masters' and Ph.D levels in Nigeria, as of 30th July, 2012:

### Federal Universities :
