

## Beam Your Searchlight on Corporate Governance, Corruption in Universities

### *-PMB Tells ASUU at UNIUYO Convocation*

**P**resident Muhammadu Buhari *GCFR*, has commended the Academic Staff Union of Universities (ASUU), for being the vanguard for the revitalising of university education in Nigeria over the years, but challenged the union to throw its searchlight on the thorny issue of Corporate Governance in Nigerian universities.

In the Visitor's Speech at the 25<sup>th</sup> Convocation Ceremony of the Federal University, Uyo (UNIUYO), last Saturday, the President who was represented by Executive Secretary, National Universities Commission (NUC), Professor Abubakar Rasheed, mni, MFR, FNAL said that it would amount to unwholesome critical posturing if

the union's criticism was only directed at perceived failure of institutions "right under their noses."

“After all, the saying that 'he that goes to equity must go with clean hands' should apply to both government and university management when administered by the academic staff leadership. It is very disheartening to hear about the increase in the incidence of plagiarism, sorting and sexual harassment in many universities in the country. These aspects of academic corruption should also be of concern to ASUU and indeed the academia as a whole. We should be able to look up to the university as citadel of probity, accountability, transparency, critical inquiry and freedom,” he advised.

He also expressed concern that drug abuse, addiction and other hideous acts of misconduct such as cultism, armed robbery were prevalent in some of the nation's university campuses.

He stressed that the task of terminating those nefarious acts was not the business of the security agencies only, but required parents, guardians and the society generally to cooperate and assist government agencies to restore sanity in universities and society at large.

### COMMUNIQUE OF THE TWENTY-FIRST NIGERIAN ACADEMY OF LETTERS (NAL) CONVOCATION AND INVESTITURE OF NEW FELLOWS, AND SCIENTIFIC SESSION HELD AT THE J.F. ADE.AJAYI AUDITORIUM, UNIVERSITY OF LAGOS ON THURSDAY, 8 AUGUST, 2019

#### PREAMBLE

The Nigerian Academy of Letters (NAL), an autonomous, non-political body of scholars in the humanities, held its 21st Convocation and Investiture of New Fellows, and Scientific Session on Thursday, 8th August, 2019, at the J.F. Ade Ajayi Auditorium, University of Lagos. The theme of the Convocation was "Religion and Morality in a Secular State".

In attendance were 121 professors from different Nigerian and overseas universities. The President of the Nigerian Academy of Letters Professor Francis Egbokhare, FNAL, presided over the Convocation and investiture of New Fellows and the Vice President, Professor Duro Oni, FNAL presided over the Scientific Session. Thirty-six new members were inducted six new Regular Fellows (Professors Ademola O. Dasylva, Abdulkrasheed Na'Allah, Sunday Enessi, Ifeorna Mabel Onyemelukwe, Albert 'Lekan Oyeleye, and Jim Unah) and two Honorary Fellows Yemi Ogunbiyi, and Mr Olusegun Adeniyi) were admitted into the NAL College of Fellows. Other key dignitaries in attendance were Rt. Hon. Rotimi Amaechi, newly reappointed Minister of Transportation; Prof Rasheed Abubakar, FNAL, the Executive Secretary of National Universities Commission (NUC); Prof. Is'haq Oloyede, FNAL, Registrar of the Joint Admissions and Matriculation Board and Professor Obiajulu Emejulu, Executive Director of the National Institute for Nigerian Languages (NINLAN). The vice chancellors included Prof. Oluwatoyin T. Ogundipe, the Vice Chancellor of the University of Lagos; Prof. AbdulRasheed Na'Allah, the Vice Chancellor of the University of Abuja; Professor Eyitope Ogungbenro Ogunbodede, the Vice Chancellor of Obafemi Awolowo University, Ile-Ife; Professor Andrew Haruna, the Vice Chancellor of the Federal University, Gashua and Professor Ozo-Mekuri Ndimele, the Vice Chancellor of Ignatius Ajuru University, Port Harcourt.

The Convocation Lecture titled, "Morality and the state". The Nigerian Experience, was delivered by Professor Emeritus Godwin Sogolo, FNAL. Two well researched papers on the Convocation theme were also presented at the Scientific Session by Professor Akin Alao of the Department of History, of the department of History and Professor Umar H.D. Danfulani of the Department of Religious Studies, University of Jos. In the course of this presentation, pertinent issues that need the attention of government and the general public were discussed. These formed the basis of the following observations and recommendations.

#### OBSERVATIONS

At the end of the engaging Convocation Lecture and the stimulating Scientific Session, the following were observed:

1. The Nigerian state seems to pay scant attention to the education of youth on the ethos and the realities of cultural diversity;
2. There is a rapidly growing culture of moral apathy, especially among the Nigerian youth, due to failure of governance at all levels;
3. Poor attention is given to moral education in the national socialisation processes and, this has created

- strained relationships and avoidable social distance between the state and the people;
4. The Nigerian Constitution (Section 15(2)) upholds the idea of a secular state but the document equally contains provisions that undermine this secular character;
  5. The current absence of a distinction between the state and religion in Nigeria was partly created by the British colonial policies which made religion and ethnicity coterminous;
  6. There is the systemic collapse of merit on the altar of religious bigotry and ethnicity, which promotes corruption and insecurity across the nation; and
  7. The clear absence of a national philosophy is largely responsible for the palpable moral decay and cultural disorientation of our youth.
  8. The running of university education in Nigeria has become so complex and difficult because of paucity of funding. Federal Government still pays lip service to funding of education, and it is most unfortunate; and
  9. In recent times, politicians without requisite knowledge of the university system are appointed as Pro-Chancellors. This trend can hardly add value to the running of the University system in Nigeria. .

### RECOMMENDATIONS

In view of the above observations, the following recommendations were: made in the course of the Convocation Lecture, the Scientific Session and the ensuing discussions:

1. There is an urgent need for a humanising education that could socialise our youth into Nigerian ethos and diverse cultural values; "
2. Government should put in place policies that would guarantee the preservation of our religious diversity, as well as recover and propagate our waning cultural values, through curriculum review and proper reorientation on core national values;
3. The social distance between the people and the state can OIily be bridged by a radical value reorientation that is championed by the humanities;
4. There is the need to review relevant sections of the Nigerian Constitution that contradict the secular state status and effectively separate religion from the state;
5. Deliberate efforts should be made to ensure a return to the traditional culture of reward for exemplary acts and punishment of erring conducts;
6. Adherence to merit and professional ethics will significantly ensure that the funds entrusted to public servants are properly utilised for the benefit and common good of all citizens;
7. Government should expedite actions on evolving the needed national philosophy which would provide the framework for sustainable quality control and, peer review of professional ethics and conduct;
8. To fund university education in Nigeria, Federal Government should increase its, budgetary allocation to the education sector to 25% and progressively increase this annually to 40% within three years. The leaderships of universities are also encouraged to be innovative and creative in sourcing for additional alternative and sustainable revenue streams to enable them survive, thrive and compete well internationally; and
9. For effective university administration, Visitors to all universities in Nigeria should give priority to appointing experienced and knowledgeable people in university administration and similar institutions as Pro-Chancellors.

## List of Universities with Approved Postgraduate Programmes

The National Universities Commission (NUC) has observed with great concern that some Nigerian universities are running unapproved postgraduate programmes, leading to the award of Masters and PhD degrees. The Commission has also observed that some Parastatals and Institutes are awarding these same Postgraduate degrees, either on their own or through unapproved affiliations with Nigerian and foreign Universities. Such practices are not only unethical, but also antithetical to time-tested quality assurance best practices. The qualifications/awards resulting therefrom are not recognized.
