

Only Professors Evaluate in Accreditation

— Prof. Rasheed

The Executive Secretary, National Universities Commission, (NUC) Abuja, Professor Abubakar Adamu Rasheed mni, MFR, FNAL has debunked allegations that some staff of NUC were engaged in corruption during accreditation.

Addressing an end of year Press Conference, Prof. Rasheed said that in the conduct of accreditation only Professors evaluate, score and make recommendations, while NUC staff served as mere secretaries with no powers to influence the outcome.

based on set parameters, give their scores, make comments and recommend a status for the programme to the commission.

He further stated that the process of accreditation entails a peer review process where only professors drawn from

mobilized by the commission before they embark on any accreditation trip.

He said there had been massive reforms the commission initiated in the last three years, including curriculum re-engineering, introduction of new

On catchment area, Prof. Rasheed said: "It is absolutely untrue that the Federal Government had abrogated the catchment area as part of the criteria for admission into Nigerian universities."

He, however, expressed concern that in the era of internationalisation of

Prof. Rasheed (4th right) addressing the Press, DES, Dr. Ramon Yusuf (5th left) NUC Directors, from right are Mrs. Agnes Bamgbala, Ibrahim Usman Yakasai, Mr. Boniface C. Odum, Dr. Maryam Sali, from left are Mal. Aminu Abba, Mr. Sam Onazi and Dr. Noel B. Saliu,

the Nigeria University system (not NUC) were always used as panelists and the only one NUC staff, according to him, served as secretary and administrative monitor with no statutory powers to influence the outcome of the accreditation exercise.

More importantly, he said, the panelists and the NUC representative were fully

programmes, unbundling of some programmes, research and innovation among others, all aimed at overhauling the Nigeria University System to bring it to the 21st century requirement.

Some of the courses unbundled included Mass Communication, that has been split into seven programmes.

university education, a demographics of the Nigerian universities revealed a preponderance of over localisation and indiginisation, with only a handful of universities having semblance of national institutions in terms of national spread of their staff and students population.

According to him, it was in an

effort to improve the national and international outlook of the universities that president Muhammadu Buhari directed

Ibrahim Usman Yakasai
Director, Public Affairs

that universities should ensure national spread by ensuring that all local governments and states are represented in the admission exercise.

On the reports of over 100 fake professors in the Nigerian

universities, the NUC boss confirmed that there were fake professors in the system but could not attach specific figure to his claims, saying the number could be more or less than the 100.

He said: “As part of the measures at repositioning our universities, the NUC, through its STRADVCOM, recently verified and published a full directory of professors in the Nigerian University System.

He explained that “it was in the process of validating the submissions that some university Senates have in some cases uncovered that quite a number of professors are either fake or are yet to mature and some were just

Readers and not full professors,” he said.

Prof. Rasheed also expressed worry over the upsurge of illegal degree awarding institutions, saying the commission was compiling a comprehensive list of such illegal universities and working with the National Youth Service Corps (NYSC) to ensure that graduates of such institutions and other mushroom universities from neighboring countries were not mobilised for the one-year mandatory service.

He said the commission had continued to deliver on its mandate with deligent, especially accreditation of programmes offered by the universities in the country.

ABU, CSU 3+2: NUC, ABU Pay Monitoring Visit

The Vice Chancellor, Ahmadu Bello University Zaria (ABU), Prof. Ibrahim Garba last month led a five-man team comprising two directors of the NUC representing the Executive Secretary, Prof. Abubakar Rasheed and two directors of the ABU to visit the Central South University (CSU) in Changsha, China to monitor the two batches totaling 75 students on the 3+2 programme.

Under the Agreement signed between the two institutions, selected Engineering students would spend three year in ABU and the last two years in CSU to earn double degrees.

The two NUC Directors are Dr. Biodun Saliu, Academic Planning and Ibrahim Usman Yakasai, Public Affairs, while the two ABU Directors are Prof. Aliyu Muhammad Kabir, University Advancement and Prof. Abba Ali Tijjani Academic Planning.

Receiving the Nigerian delegation, the President of CSU, Ms. Tian Hongqi said that the cooperation between the two institutions was getting better and hoped that there would be more collaborations in the areas of Science and Scientific Research between them.

She reported that the Nigerian students were well selected and their academic progress in CSU was very encouraging and

progress of their students in the University, adding that since the start of the collaboration, the Chinese Ambassador to Nigeria

CSU President, Ms. Tian Hongqi (middle) addressing the Nigeria team

prayed that they would contribute greatly to the development of Nigeria when they eventually return after the completion of their studies.

The CSU President also said that the Nigerian students were very active in sports and “they have become the backbone of sports in CSU leading the school to win some sporting events.”

In his remarks, the Vice Chancellor ABU, Prof. Ibrahim Garba expressed gratitude to the CSU for not only partnering with the ABU on the programme but also sponsoring two visits by the ABU to Monitor the

had given the ABU a Chinese teacher and revealed that the ABU would soon establish a Confucius Institute.

Professor Ibrahim Garba asked the President of CSU to allow some faculty members from CSU to visit ABU as “this will help us and it will show the collaboration as a two-way affair”, adding that the CSU faculty would come to know ABU and the two sides would together see and find solutions to problems.

According to Prof. Garba, the World Bank had given ABU a grant of three million dollars on

Pedagogy in Engineering and said that ABU would also like to collaborate with CSU in the training of “our faculty members on how to teach Engineering.”

Earlier, in a meeting with the representatives of the two batches of the 3+2 students, the Vice-Chancellor told them that their studies in China was a sacrifice they must make for themselves, their future and the future of Nigeria.

He further told them that “in you we are hoping to build a better Nigeria, keep the struggle; keep the perseverance.”

He said that the 3+2 programme

In his remarks, the Director Academic Planning, NUC, Dr. Noel Salu said that the NUC gave approval to ABU to sign the 3+2 programme as a window for the commission to look for other similar collaborations for the benefit of NUS.

He said that the Commission was also willing to learn from this collaboration and subsequently develop a programme in Transport Engineering.

The Director Public Affairs NUC, Ibrahim Usman Yakasai revealed that the Commission was unbundling a lot of programmes, introducing new ones and was engaged in curriculum re-engineering and

Ensure Training of Quality Agric Professionals

— *President Buhari to Agric Varsities*

President Muhammadu Buhari GCFR, has advised universities of Agriculture to ensure quality training of professionals to fast-track agricultural development for food sufficiency in the country.

He said recently in the Visitor's speech at the 9th convocation ceremony of Michael Okpara University of Agriculture, Umudike (MOUUAU), that graduates of agriculture must use the knowledge they had acquired to help the country boost agricultural production.

The President who was represented by the Deputy Executive Secretary (Administration), National Universities Commission (NUC), Dr. Gidado Bello Kumo reiterated that the government had made deliberate policy towards encouraging local farmers to increase their levels of productivity with the ultimate goal of attaining self-sufficiency in food production, which he said would enable government to save the meagre foreign reserve on food

production.

He added that "I am aware that the National Universities

especially that universities of Agriculture are expected to fast-track agricultural development for food

President Muhammadu Buhari GCFR
President and Commander-In-Chief of the Armed Forces

Commission has recently introduced a Bachelor's degree in Agricultural extension in its efforts to ensure that farmers are well educated and properly trained to actualise our policy on food production. It is your responsibility as an institution to ensure that professionals are trained to carry these efforts to the grassroots levels,

sufficiency in our country".

The President also disclosed that the introduction of the Integrated Payroll and Personnel Information System (IPPIS), had resulted in huge savings for government and had also blocked major leakages in the system, stressing that government

would continue to work towards enrolling all agencies of government into the system.

Dr. Gidado Bello Kumo
Representative of the Visitor

He assured that government would continue to support in the provision and improvement of infrastructure in universities, urging for support towards ensuring the sustenance of peaceful and conducive environment necessary for uninterrupted teaching and learning.

The Chancellor of the university, the Emir of Gombe, HRH, Alh. Abubakar Shehu Abubakar III, expressed concerns on the long-standing issue of accessing the university's land which had greatly inhibited the

implementation of the masterplan, resulting in avoidable crowding of infrastructural facilities.

He appealed to the host community and relevant government agencies to assist in removing the obstacles to the development of the university.

The Pro-Chancellor and Chairman, Governing Council, Rt. Hon. Muhammadu Lawal Zayyana, said that the university had upheld its

dweller as well as their households received relevant information that would increase their production capacity, improve on their well-being and lift them out of poverty.

In his speech, the Vice-Chancellor, Professor Francis Ogbonnaya Otunta, said that out of the 6, 214 first degree graduands, 93 had first class, 1, 826 had second class upper division, 2, 293 had second class lower division, 1, 264

mandate of ensuring that farmers and other rural

with third class and 93 pass. The convocation ceremony

had 811 graduands at postgraduate level comprising of 507 Master's degrees, 144 Doctorate degrees and 160 postgraduate diplomas.

Professor Otunta reported that MOUAU was focused on functional sustainable,

and established needs of the university and the community.

The Vice-Chancellor also said that in accordance with the university's mandate, the institution was set to act as an agent for democratisation and liberalisation of scientific

technologies and knowledge generated in the university's laboratories, workshops and experimental farms were transmitted to the external community. In the process, the challenges faced by farmers were also brought to the university for study so that a

excellent-driven and productive research culture which were problem-solving and people-oriented in scope, content and impact. He said that the university accorded high priority to research in its various disciplines including Agriculture, Engineering, Science and Technology as well as Management. He said that those researches addressed global realities priority national

agriculture in a way to raise the productivity of farmers and uplift the living standards of the rural population in the shortest possible time.

To achieve that mission, he said that it required dedicated institutional organ for extension and outreach services which had necessitated the established of MEC which to ensure that

two-way lab-land and land-lab traffic was created and actively maintained.

The convocation ceremony also featured the conferment of honorary degree award on former Chief of Army Staff, Lt. Gen. Onyeabo Azubike Ihejirika, who apart from being a military veteran is presently into active farming.

Prof. Okojie Pays Condolence Visit To Prof. Rasheed

NIGERIAN ACADEMY OF LETTERS

COMMUNIQUE OF THE TWENTY-FIRST NIGERIAN ACADEMY OF LETTERS (NAL) CONVOCATION AND INVESTITURE OF NEW FELLOWS, AND SCIENTIFIC SESSION HELD AT THE J.F. ADE.AJAYI AUDITORIUM, UNIVERSITY OF LAGOS ON THURSDAY, 8 AUGUST, 2019

PREAMBLE

The Nigerian Academy of Letters (NAL), an autonomous, non-political body of scholars in the humanities, held its 21st Convocation and Investiture of New Fellows, and Scientific Session on Thursday, 8th August, 2019, at the J.F. Ade Ajayi Auditorium, University of Lagos. The theme of the Convocation was "Religion and Morality in a Secular State".

In attendance were 121 professors from different Nigerian and overseas universities. The President of the Nigerian Academy of Letters Professor Francis Egbokhare, FNAL, presided over the Convocation and investiture of New Fellows and the Vice President, Professor Duro Oni, FNAL presided over the Scientific Session. Thirty-six new members were inducted six new Regular Fellows (Professors Ademola O. Dasylva, Abdulkrasheed Na'Allah, Sunday Enessi, Ifeorna Mabel Onyemelukwe, Albert 'Lekan Oyeleye, and Jim Unah) and two Honorary Fellows Yemi Ogunbiyi, and Mr Olusegun Adeniyi) were admitted into the NAL College of Fellows. Other key dignitaries in attendance were Rt. Hon. Rotimi Amaechi, newly reappointed Minister of Transportation; Prof Rasheed Abubakar, FNAL, the Executive Secretary of National Universities Commission (NUC); Prof. Is'haq Oloyede, FNAL, Registrar of the Joint Admissions and Matriculation Board and Professor Obiajulu Emejulu, Executive Director of the National Institute for Nigerian Languages (NINLAN). The vice chancellors included Prof. Oluwatoyin T. Ogundipe, the Vice Chancellor of the University of Lagos; Prof. AbdulRasheed Na'Allah, the Vice Chancellor of the University of Abuja; Professor Eyitope Ogungbenro Ogunbodede, the Vice Chancellor of Obafemi Awolowo University, Ile-Ife; Professor Andrew Haruna, the Vice Chancellor of the Federal University, Gashua and Professor Ozo-Mekuri Ndimele, the Vice Chancellor of Ignatius Ajuru University, Port Harcourt.

The Convocation Lecture titled, "Morality and the state". The Nigerian Experience, was delivered by Professor Emeritus Godwin Sogolo, FNAL. Two well researched papers on the Convocation theme were also presented at the Scientific Session by Professor Akin Alao of the Department of History, of the department of History and Professor Umar H.D. Danfulani of the Department of Religious Studies, University of Jos. In the course of this presentation, pertinent issues that need the attention of government and the general public were discussed. These formed the basis of the following observations and recommendations.

OBSERVATIONS

At the end of the engaging Convocation Lecture and the stimulating Scientific Session, the following were observed:

1. The Nigerian state seems to pay scant attention to the education of youth on the ethos and the realities of cultural diversity;
2. There is a rapidly growing culture of moral apathy, especially among the Nigerian youth, due to failure of governance at all levels;
3. Poor attention is given to moral education in the national socialisation processes and, this has created

4. strained relationships and avoidable social distance between the state and the people;
5. The Nigerian Constitution (Section 15(2)) upholds the idea of a secular state but the document equally contains provisions that undermine this secular character;
6. The current absence of a distinction between the state and religion in Nigeria was partly created by the British colonial policies which made religion and ethnicity coterminous;
7. There is the systemic collapse of merit on the altar of religious bigotry and ethnicity, which promotes corruption and insecurity across the nation; and
8. The clear absence of a national philosophy is largely responsible for the palpable moral decay and cultural disorientation of our youth.
9. The running of university education in Nigeria has become so complex and difficult because of paucity of funding. Federal Government still pays lip service to funding of education, and it is most unfortunate; and
10. In recent times, politicians without requisite knowledge of the university system are appointed as Pro-Chancellors. This trend can hardly add value to the running of the University system in Nigeria. .

RECOMMENDATIONS

In view of the above observations, the following recommendations were: made in the course of the Convocation Lecture, the Scientific Session and the ensuing discussions:

1. There is an urgent need for a humanising education that could socialise our youth into Nigerian ethos and diverse cultural values; "
2. Government should put in place policies that would guarantee the preservation of our religious diversity, as well as recover and propagate our waning cultural values, through curriculum review and proper reorientation on core national values;
3. The social distance between the people and the state can OIlly be bridged by a radical value reorientation that is championed by the humanities;
4. There is the need to review relevant sections of the Nigerian Constitution that contradict the secular state status and effectively separate religion from the state;
5. Deliberate efforts should be made to ensure a return to the traditional culture of reward for exemplary acts and punishment of erring conducts;
6. Adherence to merit and professional ethics will significantly ensure that the funds entrusted to public servants are properly utilised for the benefit and common good of all citizens;
7. Government should expedite actions on evolving the needed national philosophy which would provide the framework for sustainable quality control and, peer review of professional ethics and conduct;
8. To fund university education in Nigeria, Federal Government should increase its, budgetary allocation to the education sector to 25% and progressively increase this annually to 40% within three years. The leaderships of universities are also encouraged to be innovative and creative in sourcing for additional alternative and sustainable revenue streams to enable them survive, thrive and compete well internationally; and
9. For effective university administration, Visitors to all universities in Nigeria should give priority to appointing experienced and knowledgeable people in university administration and similar institutions as Pro-Chancellors.

Professor Francis Egbokhare, FNAL
President, Nigeria Academy of Letters (NAL)

PRESS RELEASE

FEDERAL MINISTRY OF EDUCATION

SUBMISSION OF NOMINATIONS FOR 2019 UNESCO KING HAMAD BIN ISA AL-KHALIFA PRIZE FOR THE USE OF ICT IN EDUCATION

The UNESCO invites nominations from Nigeria for the King Hamed Bin Isa Al-Khalite price for the use of Information and Communication Technologies in Education.

This is to recognize approaches in leveraging new technologies to expand educational and lifelong learning opportunities for all, in line with the 2030 Agenda for Sustainable Development and its Goal 4 on Education.

The theme of the 2019 Prize is the use of Artificial Intelligence (AI) to innovate Education, learning and teaching.

Nominations should be forwarded to natcom.unesco@education.gov.ng on or before 23rd October, 2019. Receipt of nominations will close by 31st October, 2019 (midnight Paris time)

For more information visit <http://www.unesco.org/ict-ed-prize/register>.

OFFICE OF THE DIRECTOR (PRESS & PR) **SHAKE UP IN EDUCATION MINISTRY**

Education Minister, Adamu Adamu has approved the redeployment of eleven (11) Directors and Principals of Federal Unity Colleges in an exercise, the Minister said is designed to strengthen service delivery and also fill existing vacancies in the education sector.

Top on the list of Directors redeployed are Abdulkadir Binta (Mrs.), Principal, Federal Government College (FGC) Kwali, who is now the Director, Basic and Secondary Education Department in the Ministry.

Binta will take over from Dr. Lami Amodu, the current Director of Basic and Secondary Education, who will retire from service on the 14th of October, 2019.

The current Principal of Federal Science and Technical College (FSTC) Yaba, Dr. Ufoegbune Ogochukwu (Mrs.) has

now been moved to the Ministry's headquarters to fill the vacancy of Director, Federal Education Quality Assurance Services (FEQAS), while Mr. Omada David Idakwoji of the Federal Science and Technical College, Uromi, takes over from Dr. Ufoegbune Ogochukwu of the Federal Science and Technical College, Yaba, as Principal.

Similarly, Dr. Mrs. Yakubu Oyinloye of Queens' College, Lagos, is to take over from Akamo Esther (Mrs.) as Principal, Federal Government Girls' College, Shagamu, while Dr. (Mrs.) Essien Funmi of the Federal Government College, Ijanikin, is to take over from Dr. (Mrs.) Yakubu Oyinloye as Principal, Queens' College, Lagos.

Akamo.O. Esther (Mrs.) of Federal Government Girls' College (FGGC), Shagamu is to succeed Dr. (Mrs.) Essien Funmi as Principal, Federal Government College, Ijanikin, while Abdullahi Asmau Yakubu (Mrs.) of the Ministry's Tertiary Education Department is to replace Mr. Manko Kudu (who will be retiring from service on the 6th of September, 2019) as Principal, Federal Government Academy, Suleja.

Mrs. Stella Maris Ufuoma Omu, current Principal of Federal Government Girls College, Bwari (who will be retiring from service on the 10th of November, 2019) will be succeeded by Sodangi Jumai Binta (Mrs.) of Federal Government Girls College, Abaji.

Also, Offonkasi Ifeoma Scholastica (Mrs.), current Vice Principal, FGBC, Apo, is to replace Sodangi Jumai Binta (Mrs.) as Principal, Federal Government Girls' College, Abaji.

Mr. Shehu Dahiru of Federal Science and Technical College, Kafanchan, is to replace Abdulkadir Binta (Mrs.) as Principal, Federal Government College, Kwali.

Finally, Mrs. Oguah Florence of National Commission for United Nation Scientific and Cultural Organization (NATCOM-UNESCO) is now the Secretary General, NATCOM-UNESCO.

Handing over formalities are to be completed by Monday, 9th September, 2019, except where otherwise directed.
